

‘Job for GenX’ Policy Guidelines

1. Portal, ‘Job for GenX’ is a digital platform only for pass out and final year Graduation & Diploma pursuing students to enable them to connect to the industries requiring candidates for jobs through National Apprenticeship Training Scheme (NATS) in immediate future.
2. This portal doesn’t guarantee any job; however, it provides golden opportunities to aspiring eligible students through making suitable match with the demand & supply.
3. The eligibility of the students for enrolment on ‘Job for GenX’ portal is:
 - a. Successfully Graduation/Diploma passed out students.
 - b. Final year students pursuing Graduation/Diploma courses.
4. The students completing basic enrolment will be allowed to participate in maximum 4 (Four) Job Fairs or till they are selected in suitable establishments/industries through this platform, whichever is earlier.
5. Students completing secondary enrolment will have an additional facility of their profile available for industries to shortlist them for calling for interviews directly. The calling/shortlisting of a candidate in this case will be maximum for 10 (Ten) times or till the time he/she is selected by the establishments/industries whichever is earlier.
6. The enrolled students are advised to log in to their dashboard periodically for regular updates as all notifications will be send through their dashboard. In case the enrolled candidates are found not logged in for a continuous period of 1 (One) month or more his/her candidature will be blocked and shall not be considered active for any further process.
7. The selected candidates are informed that (prior to accepting any offer on the portal) they must have a valid enrolment ID of NATS portal with url: www.nats.education.gov.in in order to accept the offer of employment as mentioned above. The students must note that the establishments are free to hire the candidates for this portal initially for apprenticeship training under The Apprentices Act 1961 and The Apprenticeship Rules 1992 both amended thereafter time to time for suitable period to be decided by the establishments before confirming the permanent employment to the candidates.
8. The establishments are allowed to participate in the Job Fairs through this portal and also to prepare panel of students for conducting interviews at their venues. The establishments are allowed to prepare the panel or participate in the Job Fairs only if they completely entered all relevant information regarding selection/rejection/waitlist of the candidates of all past activities (Job Fair attended/ Panel prepared) in which they have participated.

By enrolling on ‘Job for GenX’ Portal, students are deemed to have gone through the above-mentioned information/instructions/policy documents so that they submit their agreement to all the clauses mentioned therein before completing their primary registration.
